

## Electrical, Beetle, Water, Gas & Electric Fence Compliance Certificates

Servicing the Greater Cape Town areas, Helderberg, Boland, Westcoast & Swartland

Techno Compliance has been providing professional Compliance Certification services to the greater Cape Town property industry for more than 20 years. We build our business on quality workmanship and prompt after sales service, which is backed up by a 24 hours a day, 7 days a week standby number for technical emergencies.

### One appointment for all your Inspections

We save you time by doing one appointment for all your Inspections. As specialists in Compliance Certification we keep up to date with the latest regulations, and attend further training seminars offered by the relevant authorities, ensuring that the certificates we issue are in accordance with the latest standards.

---

### Our Unique Services

Our Online Inspection Request acknowledges receipt of your Request for an Inspection and provides you with a copy of the request as proof.

---

### Payment Options

Inspection and other fees can be settled via the transferring attorneys on registration from the proceeds of the sale, or alternatively by making a COD payment when the Inspections are carried out.

Who better to entrust your safety with,  
than the inspectors themselves!
